

American Warriors' Watch Coalition was formed to optimize the efforts of hundreds of troop support groups around the country in order to ensure that every warrior and warrior family that needs assistance will get it.

- Honor the American Warrior
- Support the Warrior's Family
- Share the Sacrifice
- Teach the Next Generation

If your organization is engaged in any form of warrior support, sending packages overseas, providing welcome home celebrations, raising funds for veterans, or supporting the activities of Military family Readiness Groups, then your Organization needs to join the AWWC.

Every organization will benefit from membership in the AWWC. There is absolutely no money involved – the AWWC is fully operated and supported by volunteers.

In loving Memory of Kathryn Fialkowski  
AWWC National Director, February 16, 2012  
~ Forever in our Hearts~
