WARRIOR'S WATCH MISSION:

THEY HAVE OUR BACKS OVER THERE. WE HAVE THEIR BACKS HERE AT HOME.

Many of us are bikers. WE WILL USE OUR MOTORCYCLES TO DRAW ATTENTION TO OUR CAUSE, WHICH IS OUR TROOPS.

Many of us are Veterans. WE WILL SUPPORT THE MISSION OF OUR UNIFORMED BROTHERS AND SISTERS.

All of us are Americans. WE WILL HONOR OUR NATION'S WARRIORS HERE AT HOME, AND SUPPORT THEIR FAMILIES WHILE THEY FIGHT FOR US ABROAD.

We are brothers. We will never put ourselves above our mission, we will never allow personal considerations of any kind to interfere with the honorable and dignified performance of our mission, and we will treat our fellow Warriors' Watchmen as the brothers and sisters that they are.

Many of us are Vietnam and Cold War Era Veterans. ABOVE ALL: NEVER, EVER, WILL WE ALLOW THIS GENERATION OF HEROES TO BE TREATED WHEN THEY COME HOME AS WE WERE TREATED WHEN WE CAME HOME. NEVER AGAIN WILL A GENERATION OF AMERICAN WARRIORS BE SCORNE OR IGNORED BY THE NATION THEY FOUGHT AND DIED TO DEFEND.

SUPPORTING OUR TROOPS AND THEIR FAMILIES

WARRIORS' WATCH is NOT a motorcycle club or Veteran's organization. We are more than 3,000 volunteers and patriots in 28 states, united to honor and respect our troops.

We work closely with other troop-support organizations such as *A Hero's Welcome* and the *Yellow Ribbon Club* to provide **unforgettable motorcycle escorts** for active duty military members returning from or deploying to the defense of our nation.

Utilizing the power of the Internet to communicate with our members nationwide, we are able to mobilize, often on short notice, to ensure that every military member is treated like a hero.

Warriors' Watch: Supporting our Troops and their Families

WHAT WARRIORS' WATCH OFFERS:

We offer "Welcome Home" motorcycle escorts for your returning military member or unit, and "Sendoff" motorcycle escorts for your deploying military member or unit.

Warriors' Watch will greet your military member or unit at the airport, at their Military base, or any other point to escort them fully to their destination.

We provide flag lines and honor escorts for the funerals of fallen American Warriors.

We will mobilize motorcycles and riders to support and add excitement to family events or Family Readiness Group fundraiser.

The Warriors' Watch also supports Veterans and Veteran-based activities.

WHAT WARRIORS' WATCH WANTS IN RETURN:

We want the honor of being invited to help you support our troops and lend our assistance to their families. We want nothing more.

Never again will returning troops be ignored - or worse.

Deploying troops will know without a doubt that a caring America has not abandoned them. The Warriors' Watch has their backs over here, while they have our backs over there. We will ensure that every returning or deploying military member is treated like a "rock star". While they are gone, we will offer ourselves and our resources to their families and to Family Readiness Groups in support of their efforts to honor, remember and support their sons and daughters while overseas. We will support family fundraising efforts and other family events held by individual families and unit Family Readiness Groups.

485th Chemical Battalion returns home to Delaware Warriors' Watch Welcome

Warriors' Watch will use our motorcycles to draw attention to our military heroes!

Our motorcycles, flying American and Military branch flags, are natural attention-getters, and a motorcycle escort is exciting and honorable. A motorcycle escort for a returning or deploying hero is often the highlight of their experience, one that they will remember forever.
